SECTION II:

NO STRIKE CLAUSE: It is agreed that during the term of this Agreement, neither the Union, its officers or members, shall instigate, call, sanction, condone, or participate in any strike, slowdown, stoppage of work, boycott, picketing, or willful interference with production, transportation or distribution and that there shall be no lockout of employees by the Employer.

In the event that any of the employees violate the provisions of the above paragraph, the Union shall take necessary steps to have the members who participate in such action back to their jobs, forward copies of such order to the Employer and use every means at its disposal to influence the employees to return to work.

SECTION III:

The Union will notify the Township, in writing, of the exact amount of such regular membership dues to be deducted.

Any employee shall be eligible to withdraw such authorization only as of July 1 of each year provided notice of withdrawal is filed timely between June 15 and June 25 with the payroll clerk.

Representation fees shall be withheld on the first (1st) pay after the completion of ten (10) calendar days following re-entry into a bargaining unit for employees who previously served in bargaining unit positions.

If, during the course of the year, the non-member becomes a Union member, the Employer shall cease deducting the representation fee and commence deducting the Union dues beginning with the first (1st) pay check representing the pay period ten (10) calendar days after written notification of the change in status. After deduction, representation fees shall be transmitted to the Union in the same manner, and in the same time as Union dues.

This provision is to become effective upon execution of this Agreement by both parties and upon the Union submitting a list of non-Union members in the bargaining unit to the Employer.

STEP 1: The Union Steward, with or without the aggrieved employee, shall take up the grievance or dispute with the employee's immediate supervisor within five (5) working days of the date of the occurrence of the grievance. The supervisor shall attempt to adjust the matter and shall respond to the steward within three (3) working days. If the grievance or dispute is not taken up in accordance with this provision within five (5) working days of its occurrence or within five (5) working days upon learning of the existence of the alleged grievance or dispute, it shall be deemed abandoned.

STEP 2: If the grievance has not been settled, it shall be presented in writing to the department head within five (5) days after the supervisor's response is due. The department head shall respond to the steward in writing within three (3) days. If the grievance is not presented in writing in accordance with this stipulation within five (5) days, it shall be deemed abandoned. The employee may be represented by a steward, the local Union president or his designee. Time lost from work to process grievance, and such discussions or meetings by the grievant, steward and local president or his designee will result in no loss of pay.

STEP 3: If the grievance still remains not settled, it shall be presented to the Business Administrator in writing within seven (7) days after the response of the department head is due. The Business Administrator will hold a hearing within ten (10) days of receipt of presentation of the grievance to him. The Business Administrator shall respond in writing within five (5) days. If the grievance is not presented in writing, in accordance with this provision within seven (7) days, it shall be deemed abandoned. The employee may be represented by a steward, the local Union president or his designee, and representatives of AFSCME Council. (7) days after the response of the Business Administrator is due. The Township Committee shall respond within ten (10) days. If the grievance is not presented, in writing, in accordance with this stipulation within seven (7) days, it shall be deemed abandoned.

The advisory, non-binding arbitration proceedings shall be conducted by an impartial arbitrator to be selected by the Employer and the Union within seven (7) days after notice has been given. If the parties fail to select an arbitrator, the State Mediation and Conciliation Service of the Public Employment Relations Commission shall be requested by either or both parties to provide a panel of five (5) arbitrators. If either party desires a verbatim record of the proceedings it may cause the same to be made, providing it pays for the record and makes a copy available, without charge, to the other party and to the arbitrator.

The only grievances or disputes which may be submitted for advisory, non-binding arbitration shall be those arising out of the meaning, application and interpretation of the provisions of this Agreement. Nothing in the foregoing shall be construed to empower the impartial arbitrator to make any award amending, changing, subtracting from or adding to the provisions of this Agreement.

It is understood and agreed that the subject of general wages shall not be subject to advisory, non-binding arbitration.

It is intended by this provision to give an employee the option to appeal his case under the Civil Service rules and regulations and through Civil Service procedures or advisory, non-binding arbitration, but not both. It is not intended to change, modify, or alter in any fashion the Civil Service rules and regulations, but in effect only to give additional alternative remedy to an employee. SICK TIME POLICY - ROAD DEPARTMENT

7/1/93 through 6/30/96

We have been asked to establish a general sick time allocation policy for the Ewing Township Road Department. In reviewing the Bargaining Unit contract, as well as the rules and regulations and policy manual language, the following should be adhered to as road Department procedure.

All requests for sick time off must be called into the Road Department office prior to the start of the regular work day, (7:30 a.m.). Failure to call in or give appropriate notification may result in disciplinary action. Continued neglect of this requirement will result in suspension as prescribed in the Road Department Rules and Regulations, (item #3).

Sick days are credited to all permanent employees in advance of January 1st of each year, however, it is understood they are credited anticipating the employee will work the full 12 months during the year. If the employee does not work 12 months during the year, sick leave will be pro-rated accordingly.

If an employee is absent for reasons that entitle him/her to sick leave, it is understood by the Township that they will be at home and if for some reason the employee must leave their home they must submit to the department a phone number where they can be reached.

Sick leave is not to be used for personal business and when same is improperly used, the employee will be subject to disciplinary measures which could result in his/her removal.

The Appointing Authority and/or Department Head or his assignee may require proof of illness of employee on sick leave, whenever such requirements appear reasonable. This will be at the discretion of the Department Head. Abuse of sick leave shall be cause for disciplinary action. Proof of illness must be documented by a certified physician with his/her signature.
